Memory ID: 0KTFSXOX19

Produced by: **Stephen Bigilen**

John Paul Bigilen passed away peacefully this Christmas season, in his cherished apartment while watching TV. Paulie was a kind, welcoming person with a gentle soul, always ready to give and share with others what little he had. While serving in the USMC, Paul received a humanitarian award for his participation in rescuing refugees at sea. Paul was a loved Brother, and Friend to all. Paul believed Christ was by his side as he struggled. Peace.
