

Memory ID: 009YS1NJ60

Produced by: Sandra Pedroso

You were our heart and soul. We lost a piece of who we are on Saturday. We will try and focus on the happy memories and the laughs. Your light will be missed. I long for the day I will hear your voice, give you a big hug and laugh. Until then, rest peacefully, my Palex. Xoxo $\hat{a} \cdot \pi$, \hat{a}
