My Brother Donald Sams, age 77 years old, departed this life today 11/03/2023. And we are surely gonna miss him. He was a cool guy, loved puzzles, reading, the Ancient Alien Shows, History channel, sports, nekot cookies, peanut butter kandy cakes, listening to the Oldies from the '50s, and good food. I will always remember him calling me, "Hey, Baby," and his smile. My husband, JB, and our Sister Francine and I will surely miss you. RIP King.
