Zahid Tafari

Memory ID: **235C2QDECP**

Produced by: **J.G. Sandom**

The Abyssinian, Zahid Tafari, which means Ascetic of the Desert. Abyssinians are very friendly, more like dogs than cats, and were historically used to guard temples in Ancient Egypt. They would swarm visitors and raise the alarm. In the end, he became diabetic, and I had to shoot him up twice a day, like an old junkie friend. I miss him.
