Katharine Wang Lai

Memory ID: **3D519Z4P64**

Produced by: **Bernard Lai**

Beloved wife and mother of one son who was very passionate about pursuing her interests in life. She would never give up and go to extreme lengths to accomplish her goals and desires. Katharine was very adept at creative solutions and doing all of her own research to learn new concepts and procedures. Truly there was no one ever like her. We still love her no matter what she did.
