

Harry James Bridgman

Memory ID: 3II9BUN7NL

Produced by: Dawn Bridgman

He was a father, a son, a diehard angler, and everyone's best friend. Harry had a heart of gold and wanted nothing more than to show everyone around him all the amazing things he was able to experience in life. He was a man of a million stories, and somehow knew a little bit about everything. He had a good heart, a brilliant mind, and eyes that had been everywhere and seen everything. We can only hope to experience half as much as he did.
