Dorothy Grace Abdallah

Memory ID: **5AHUXCUB92**

Produced by: **Michael Abdallah**

When I think of Dorothy Abdallah, I think of love. She loved her family, would reach out to them, organize scrapbooks, track birthdays & more. She loved people in general & would never hesitate to strike up a conversation with a total stranger & if it embarrassed whoever she was with, even better! She loved to laugh and make others laugh. Her time on this world was all too brief but our memories of her love, kindness, and humor will live forever.
