

Tina Turner (No not the entertainer)

Memory ID: 88FZJZLC98

Produced by: **Bernadette McKellar**

I met Tina at Hane's Dept store. We clicked right then and there. Yet, I had no idea what her name was. Then years later we met on the bus headed to Livingston where we both work. It was a year later before we asked each other what our names were. That's when I found out her name was Tina Turner. I thought she was joking until she showed me her license. We shared so much the good, the bad and the ugly. I am so grateful for you.
