

Richard "Mickey" Kent

Memory ID: 8CIZF8EW33

Produced by: **Kaylee Dailey**

The biggest heart in the world, Mickey loved life and others. He'd give you the shirt off his back. He was adventurously rolling down hills inside inner tubes when he was a youngster, skydiving, loved fishing, gardening, and would not back down from any adventure. You certainly knew he was in the room as his presence was larger than life. He wanted to make everyone smile and laugh and did it even at his own expense. MICKEY, YOU WILL BE MISSED XO
