

Farmor Bear and Cheetie

Memory ID: A29XQTZQON

Produced by: J.G. Sandom

Farmor Bear (father's mother's or paternal grandmother's bear) was my Mom's bear when she was dying of cancer. Cheetie was my daughter Olivia's favorite stuffed animal as a child. Somehow, they got together and have found love for one another. These are my candid photos of them when I find them together each morning.
