

Edward Smith

Memory ID: **APT84RZ8LY**

Produced by: **Kenneth Smith**

A true family man who loved his wife and loved working in his garden and yard. He loved to tell stories over and over and over again: the beret story; the unintentional convertible story; the reversing off the highway story; and many more. He served his country, and he served his family and community. He loved to travel and shared that love with his family.
