Memory ID: **BUNVAD2J2W**

Produced by: **Rob Heinle**

Robert (Bob) Heinle Jr. was a kind soul. He was a nature lover and an explorer, a father and a friend to many. He spent his early years doing adventurous hobbies, trail hiking, spelunking, mountain climbing, boating, snowmobiling, hunting, fishing and cb/ham radio. He had a love of the outdoors and he loved to tinker and fix things. He was there if you needed him and he was always willing to lend a hand or just listen when times were tough.
