British singer, Liam Payne, a member of One Direction, one of the best-selling pop boy bands of all time, died Oct.16 at age 31. Payne first appeared in the British TV series The X Factor in 2008, prior to achieving global success in 2010 in One Direction. The band's debut single in 2011, What Makes You Beautiful reached number one in several countries. Following One Direction's hiatus in 2016, Payne pursued a solo career.
