

~ Howard Fineman

Memory ID: E8K6E011VY

Produced by: **MemoryBox**

Veteran political correspondent Howard Fineman, who spent three decades covering Washington for Newsweek before he became an analyst for MSNBC and other outlets, died June 11, 2024. He was 75. Fineman covered the administrations of seven presidents, and appeared on political news shows like PBS' "Washington Week in Review" and CNN's "Capital Gang Sunday." He is survived by his wife and two children.
