Here are the horses that FAER managed to rescue from slaughter in March, 2017. These include Faith and Tinkerbelle, both saved at Cranbury. If you care about rescuing animals from slaughter, please feel free to give to FAER. Every dollar you give gets us closer to another rescue. If you'd like more information about adopting any of these wonderful creatures, please contact us at (609) 820-6377 or email us at forgottenangelsequinerescue@gmail.com.
