

Allana Jean Borrell

Memory ID: FI5KYJPBR6

Produced by: Richard DeAngelis

Allana Borrell was a wonderful mother and grandmother, she always worked hard and was always generous with her time, money and kindness. As her son, I will always remember her sense of humor: when she laughed, it was always genuine; watching her favorite shows and movies together; talking about her favorite books. She taught me many things, knowingly and unknowingly. Rest easy, Mom. Love you!
