

~ Evan Wright

Memory ID: FJJHHWCWNE

Produced by: **MemoryBox**

Award-winning journalist Evan Wright, who wrote about the Iraq war while embedded with US marines in his book, *Generation Kill*, has died July 12, at age 59. According to the medical examiner, Wright died by suicide. *Generation Kill* was adapted into the HBO miniseries of the same name. Wright appeared in the Max documentary *Teen Torture, Inc.*, & spoke about his time in the Seed, a controversial "scared straight" program for children in Florida.
