

# Checkers

Memory ID: ID8Z0WVCQ7

Produced by: **Kelsey Foxy**

When Janie first meets Tea Cake, one of the first signs that their love could be different is when he invites her to play checkers. The game involves two equal competitors, so when they play it is a sign of mutual respect and standing. Janie for the first time is excited by someone and it gives the opportunity to explore a relationship with risks and liveliness, which she has never had before.
