

Dove Florence Godown

Memory ID: **IQG8K6FX7A**

Produced by: **John Price**

She was a stubborn woman who always found a way to stay happy and look on the bright side of life. She loved animals, her favorites being wolves, tigers, and horses. She had a sweet tooth and always found a way to make you smile. "I love you, be careful." That's what she said every time you'd say goodbye.
