

# Pie

Memory ID: **IU5XSKU8AZ**

Produced by: **Jacob Bubb**

The message that people of color are still servants to white folk is portrayed through Pecola's destruction of a pie. It is like second form of slavery. The little white child that demanded Mrs. Breedlove make another pie could determine if Mrs. Breedlove kept her job or not. Morrison uses this story to explain how people of color aren't allowed to make their own decisions but rather have to conform to what society chooses for them.
