

# ~ Edith Windsor

Memory ID: JVTZ0TOC9C

Produced by: **MemoryBox**

Edith Windsor (June 20, 1929 – September 12, 2017) was an American LGBT rights activist who lead the case of United States v. Windsor, which made same-sex marriage legal. She changed society's attitude about the LGBT community and made America a more accepting place. Show your appreciation for Edith Windsor by sharing your PHOTOS and MEMORIES to MemoryBox!
