Rick Genest (August 7, 1985 – August 1, 2018) was a Canadian artist, actor, and fashion model born in LaSalle, Quebec. He was also known as *Zombie Boy*, long before he was tattooed. The corpse tattoos covering the majority of his body came later. Genest was featured in Lady Gaga's video for "Born This Way", with Gaga wearing makeup to replicate Genest's tattoos, and he influenced a number of fashion lines.
