

Peggy Gresham

Memory ID: K4UDEO17UE

Produced by: **Sonya Knuettel-Ripley**

Peggy was a smart, funny, and "tough" woman, who had a heart of gold and would do anything to help others. She was a loving aunt, sister and friend, as well as a dedicated worker who toiled tirelessly for her company, co-workers, and clients alike. She enjoyed cooking and crime novels and spending time by the water. She was a competitive player within her inner domino circle, and was well-liked and loved by many. You will be forever missed! XOXO
