

~ Fatman Scoop

Memory ID: KNVUGC4AOW

Produced by: **MemoryBox**

The US rapper Fatman Scoop has died after he collapsed mid-performance during a free concert in Connecticut on Friday night. He was 53. The New York-born artist, whose real name is Isaac Freeman III, was headlining an event, collapsed behind the DJ booth after urging concertgoers to "make some noise". Fatman Scoop is best known for his collaborations with Missy Elliot and Ciara, and Maria Carey.
