16 years ago, the World Trade Center was destroyed by two planes that were hijacked by 19 Al-Qaeda terrorists. September 11, 2001 ushered in the Patriot Act and put fear in everyone's hearts. Thoughts and prayers go out to all the people who died that day, and to their families who suffered the heartache of losing a loved one. Help memorialize and honor those who perished. Post their pics to this Collective and acknowledge their sacrifice.
