

Memory ID: N3Y41EDHX8

Produced by: Barry Gore

My sweetheart of 49 years died on December 6, 2021. She was beautiful and blonde haired and blue eyed with freckles on her nose. She gave me two blonde haired one blue eyed and one green eyed children; they in turn gave us 3 more blonde haired blue eyed grands. Her only wish was to be in her favorite place on Earth....Memphis, TN. I will take her home early next year. We miss you.
