Memory ID: **NBU54JQE12**

Produced by: **Destiny Bondra**

Dave was a simple man with a wild and amazing imagination. He was a master carpenter. He had a great sense of humor and was a rolling stone. He lived to see the world for every beautiful shade he could. He never asked much from anyone and always had the very best of intentions. He loved his children, his family, his girlfriend, his extensive movie collection, and Rock & Roll. There was never an MMRBQ that he would miss.
