Christopher Allen Chopin (03/21/76 - 10/8/17) was an attorney and controversial Tweeter (under pseudonyms Actual Flatticus and Alan Smithee) who supported Single Payer and fought against money in politics. A national debate champion, Chopin earned his B.A. from Emory University, and his law degree from the University of Miami. He built a respected family law practice in West Palm Beach, Florida. Some say he died of righteous indignation.
