As a result of President Trump's decision to green light the Dakota Access Pipeline, the Standing Rock Sioux have called for a week of actions. Please come and join us @ Thomas Payne Plaza 02/14 @ 8:00 AM and let everyone know that Philly stands for justice in solidarity with Standing Rock. If you're going, please take a moment to join this Memory in Stream Mode and share the photos you take at this action with fellow activists AUTOMATICALLY!
