

Milk Bottle

Memory ID: OH5AEVCPNI

Produced by: **Griffin Dombroske**

The milk bottle represents Milkman's dependence on his mother. He was breastfed for a larger portion of his life than most, but by his mother's choice. Saying that, it could also be symbolic of Ruth's need to feel like she was making her own choices. Alternatively it could also be representative of Milkman extending his childhood abnormally longer than the usual kid.
