Our mother was an exceptional mother. Mami Lucy, you will be truly missed! We know we will miss your phone calls every day, but we also know that you're in better place. Because you're not suffering. You're okay, like you told us. You're gonna be okay! RIP, Mami Lucy, we will always love you: Efrañ, Omi, Yorman, Junior, Lourdes, Luisito, Yashira and Me (Jany).
