In an extreme example of islamophobia, six-year-old Wadea Al-Fayoume was stabbed to death because he was Muslim by his family's enraged landlord, following the October 2023 HAMAS uprising in southern Israel. His mother, Hanaan Shahin, 32, was also stabbed multiple times. While voicing support for Israel's right to defend itself, President Biden said, "This horrific act of hate has no place in America, and stands against our fundamental values."
