

Feather

Memory ID: **SDEWNPHSN3**

Produced by: **Griffin Dombroske**

The feather represents freedom in many novels, one being the Song of Solomon. Although there is no feather directly shown in the book, the significance of flight is that of being released. For example, at the end of the book, Milkman jumps at Guitar and takes off, presumably either dying or taking flight, both of which would result in a sort of freedom.
