

~ Jilly Cooper

Memory ID: T34YVUNJFZ

Produced by: **MemoryBox**

Dame Jilly Cooper, British bestselling author whose witty, sensual novels defined the “bonkbuster” era, died October 5 at 88. Best known for the Rutshire Chronicles, including Riders and Rivals, she captured love, class, and rivalry with humor and heart. After her husband Leo’s death, Cooper wrote openly of grief’s duality—its ache and its gratitude—finding solace in her books, her greyhounds, and the constancy of joy in small things.
