

Time for Families Family Album

Memory ID: R008JXDTDA

Produced by: **Time for Families**

This is a Memory of the best pics from any same-sex couple or gay individual who has ever adopted a child. Add your best pic of your new loved one here. Time for Families was created to provide lesbian and gay couples and individuals with the information necessary to make informed choices in the process of creating their own families through surrogacy, anonymous or known donor contribution, second parent adoption and private placement adoption.
