Memory ID: VF2YZFD4ZM

Produced by: **MemoryBox**

Collective memory of Mahatma Gandhi. He is one of India's most influential figures in history. Gandhi was the leader of the Indian independence movement against British rule and promoted the idea of nonviolent actions of civil disobedience. He believed that India should have a diversity of religious beliefs and not persecute others for their faith. Show your appreciation for Gandhi by sharing your favorite pics of him to this Collective.
