Memory ID: VT0J8DEMPD

Produced by: **MemoryBox**

Dale Webster, a legendary California surfer who rode waves for 14,642 consecutive days—40 years without missing a day—died August 12, at 77. Known as “The Daily Wavester,” Webster’s streak began in 1975 and ended only when health issues forced him from the water. His devotion to surfing made him a local icon and a Guinness World Record holder.
