

~ Donald Payne, Jr.

Memory ID: WPCRUV9492

Produced by: **MemoryBox**

Donald Payne Jr, US congressman from the 10th Congressional District of New Jersey, died on April 24, 2024, more than two weeks after a heart attack. He was 65. First elected to Congress in 2012, Payne, Jr., succeeded his father, Donald Payne Sr., who also died in office. As a former union worker and toll collector, Payne, Jr., was a progressive who understood the struggles of working families.
