Heaven has just gained a very special angel. John Clark McGough passed away on May 9, 2021, not long after a cancer diagnosis, just short of his 64th birthday. He is survived by his loving and devoted wife Danna; step-daughter Brianna; siblings Sally, Leo, David, Martha, and their spouses and children. He will be forever missed and remembered with love, smiles, and laughter. He will live on in our hearts forever and always. RIP my love.
