

~ David Ball

Memory ID: XRTSBBGLY7

Produced by: **MemoryBox**

Dave Ball, the musical architect behind Soft Cell's synth-pop sound, died Oct 22 at age 66. As the quiet counterpart to Marc Almond's flamboyance, Ball crafted the haunting electronics of Tainted Love, which sold over 21 million copies, and hits like Say Hello, Wave Goodbye. Performing from a wheelchair in recent years, Ball had just completed a new album..
