

Richard Pryor

Memory ID: XSHE00DMXD

Produced by: **Matt B**

Richard Pryor is often considered the greatest stand up comedian of all time. Jerry Seinfeld refers to Pryor as "The Picasso of our profession." Pryor talked about race, religion and sex in such a unique way and inspired the style of comedy that exists today. He also made his dark childhood into comedy gold and has also influenced some of the best comedians in the history of the game including Eddie Murphy, Chris Rock and Dave Chappelle.
