

~ Jim Morrison

Memory ID: XYHJDCJX13

Produced by: **MemoryBox**

Collective Memory of Jim Morrison, who passed away on July 3, 1971, at the age of only 27. He is known for being the lead singer of the Doors, one of the most influential bands in the 1960s along with the Rolling Stones and the Beatles. Morrison is considered by many to be the greatest front man and lead singer in the history of rock 'n' roll. Honor his memory and iconic voice by posting your favorite pics of Morrison to this Collective.
