

~ Tatiana Schlossberg

Memory ID: YYRW7N0M7R

Produced by: **MemoryBox**

Tatiana Schlossberg, an environmental journalist, the daughter of Caroline Kennedy and granddaughter of President John F. Kennedy, died Dec. 30 at age 35. Schlossberg's New Yorker essay detailing her rare and aggressive blood cancer was widely praised for its courage and candor. She is survived by her husband, George Moran, and their two children.
