

Paul McCartney

Memory ID: ZNKZOYGW5G

Produced by: **Matt B**

Paul McCartney is one of the best selling music artists of the past 100 years, selling 25.5 million records in the United States and 32 songs that have been number one on the Billboard charts. He is known for being a member of the Beatles, who are considered by many as the most influential band in the history of music. McCartney is still producing music and releasing new songs today.
